Information For The Buyer

LOCATION: Lamont Sale Pavilion, Stock Yards, Denver.

SHIPPING INSTRUCTIONS: Consignors and this Association will see that all cattle are properly loaded on cars or trucks as the buyer shall direct for immediate shipment. Cattle are at the buyers risk from the moment they are bid off, however all precautions will be taken to see that animals arrive in a sound and healthy condition. **BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS WITH THE SALE CLERK.**

LIABILITY: Although every precaution will be taken to protect the safety and comfort of guests neither this Association nor its representatives nor the auctioneers or clerks, can assume any liability for accidents.

TERMS: All sales are cash unless previous arrangements are made with the consignor from whom you purchase. Settlements are to be made with the clerk immediately at the conclusion of the sale.

INSURANCE: Coverage may be obtained effective at the time of sale.

GUARANTEE: Standard Guarantee endorsed by this Association, which is printed in this catalog.

HEADQUARTERS: Denver Hilton Hotel, Denver, Colorado. Write directly for reservations mentioning this National Western Shorthorn Sale.

AUCTIONEER: Dick Kane, Wisner, Nebraska.

KICKAPOO TRIMVIRATE - Second prize Senior Yearling Bull and member of the 2nd prize group of three bulls, 1962 International Livestock Exposition. Carries three generations of Kickapoo planned blood lines. His dam and granddam have played a prominent part in our herd. A half brother by Kickapoo Keynote, Lot 29, also sells. May we suggest you weigh the merits of these two bulls before deciding their value. Semen tested, ready for heavy service.

SHORTHORN BULLS custom-built for range country! Heavily-muscled, good-boned, substantial Shorthorn bulls have an inherited ability to perform well in the toughest cow country conditions. Dwarfism, still a problem in many beef breeds, is conspicuous by its absence in Shorthorns. Cowmen with dwarfism weaning weight problems could well lend an ear to the result of Shorthorn performance.

Red, Gilbert Kardel

MACBETH PAYMASTER 14th - One of the top sons of Morphie Paymaster, reserve junior champion at Perth in 1958. Paymaster sired six calves for Les and Gen Mathers and in their sale, averaged over \$1600 and a heifer topped at \$3200. He was a great show bull and sire and was a half brother to Kair Masterkey, Kair Ranger, Bumton Anthony and many other greats that came to America. Paymaster 14th is out of Sherwood Maid 2nd that is by Imp. Tolquhon Rostrum and out of Barrages Sherwood Maid, both imported. In fact everything in this pedigree is imported except the dam Sherwood Maid 2nd. She is getting old, but is too valuable to let go. This entry is big for age, smooth with great conformation, a splendid head and lots of bone. There is great power in these veins. Has always been very sound in feet and legs. A top herd bull prospect.

REMITALL BARONET 2D - Second prize senior calf at Calgary Exhibition and Provincial Shorthorn Show at Red Deer and is a full brother to Remitall Broadway purchased by Cory Schrimsher, Culdesac, Idaho.

SHORTHORN BULLS ... champions at crossbreeding! These select calves were high price getters at the Omaha market last fall. One hundred and eighty-seven head went across the scales, demanding \$37 on steers and \$34 on heifers .. out-distancing that day's average market by quite a margin. Black as the ace of spades, they were the result of red Shorthorn bulls on Angus cows. Were these good calves worth more because they were a particular color or because they were competitively better?

KICKAPOO ROSTRUM - Possibly too young to realize his true value but having consigned two older sons of Calrossie Golden Guinea for a likely comparison when this calf has reached their stage of maturity, we thought someone would consider developing this young bull. The female side of his pedigree has been consistant and profitable at Kickapoo.

W L TALISMAN - Is a full brother to a heifer in our show herd that was second choice for all American Junior Heifer Calf last year.

SHORTHORN BULLS ... ever-expanding market! Breeding and merchandising sound Shorthorn range bulls is "big business". Throughout the Rocky Mountain region breeders report demand is far exceeding supply as the beef industry continues to place increasingly forceful emphasis on MORE POUNDS OF BEEF IN LESS TIME AND ON LESS FEED. No beef breed can out-best Shorthorn in these respects. Good range bulls are products of Soundly bred and put-together sires and dams. Note the unusual beefiness in these good replacement heifers.

COLOMEADOW BELLE 19th - Comes from a family of good milking cows. Originally kept in the herd as a replacement but we believe she will be an attraction in order to help the National Western Sale. A most respectable brood cow prospect in any of the good herds. Sells open but with breeding, privilege to your choice of any bull we own.

DO YOU BELONG?

JOIN THE

AMERICAN SHORTHORN

ASSOCIATION

TODAY!

Standard Guarantee

OF AMERICAN SHORTHORN BREEDING ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calthood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
